**Online-Ordering Agreement**

This agreement made as of \_\_\_\_\_, 2011, between LM Communications Inc., d/b/a TakeoutOrders.biz,  
an Oklahoma Corporation (Takeout), and \_\_\_\_\_  
located at \_\_\_\_\_, (Restaurant).

Whereas Restaurant desires to have Takeout create and store an Internet Online-Ordering function on the Internet,  
and

Whereas Takeout desires to create and store an Internet Web-Ordering function for Restaurant:

In consideration of the above premises and the covenants hereinafter set forth, the parties do hereby agree:

Takeout will create an Internet Online-Ordering function, including the payment function, for the Restaurant and  
will store the function on the Internet.

Takeout will establish the Restaurant's menu on the Internet, and provide Restaurant with necessary information to  
link the Online-Ordering Menu with Restaurant's existing Website; it is Restaurant's responsibility to put the link on  
their website.

Restaurant will provide the necessary information about themselves and their Menu so as to make it possible for  
Takeout to create the Online-Ordering function. The Restaurant understands that marketing the Online-Ordering  
function to their own Restaurants is Restaurant's responsibility.

Takeout will collect the funds for the Online-Order over the Internet and will disperse the Restaurant's funds to  
Restaurant, minus Takeout's Ordering Fee, on a Weekly basis. Restaurant hereby agrees to accept said disbursement  
of funds via an ACH funds transfer. Restaurant also authorizes Takeout to withdraw funds from Restaurant's bank  
account, via ach, to cover any and all charge-backs and associated fees which were created by Restaurant's  
customers.

Restaurant agrees to pay to Takeout the following:

Online-Ordering Creation and Setup Fee of Menu	\$300.00
Later/Future Menu Modifications	\$75.00/hr
Takeout's Ordering Fee	10% of Order

Restaurant agrees that any website development and/or hosting are contracted under a separate agreement.
